

Dr. Nick Bontis

Accelerating Performance

1. Raised stage for easy viewing throughout the room
2. No podium, chairs or tables on stage – or at least moved to far back corner
3. Large draped screen(s) to ceiling
4. Wireless lapel microphone
5. Bright computer projector
6. Laptop with Windows and MS PowerPoint installed and loaded
7. A remote so that slides can be advanced wirelessly
8. Speaker will provide presentation via USB key
9. On stage, small draped table with jug of water with ice, empty tall glass, coffee mug with black coffee (to be used as a props)
10. Audience microphone set near front of room on stand for Q&A
11. Use of any recording devices (audio or video) are strictly prohibited without the written pre-approval and written permission of Dr. Nick Bontis
