

Dr. Nick Bontis

Accelerating Performance

Dr. Nick Bontis is a 3M National Teaching Fellow and an award-winning professor at the DeGroote School of Business, McMaster University. He is recognized as the world's leading expert on intellectual capital and its impact on performance and has recently been named as one of the Top 30 Management Gurus world-wide. He helps organizations leverage their most important intangible asset for sustainable competitive advantage. His customized programs are a mix of practical managerial tools, rigorous academic research, strategic consulting, entertaining humour and a blast of youthful exuberance. Tom Stewart, former Editor of the *Harvard Business Review*, recognizes him as a “pioneer and one of the world's real intellectual capital experts”. He has received numerous teaching and research awards and *Maclean's* magazine has rated him as one of McMaster University's most popular professors for six years in a row! With his unique combination of substance and sizzle, Dr. Nick Bontis is guaranteed to ignite, entertain and enlighten audiences, empowering them with both the tools and the inspiration to perform at a higher level of accelerated performance.
