Dr. Nick Bontis ^{N|B}

ACCELERATING MANAGEMENT PERFORMANCE

Professor Nick Bontis

is recognized internationally as a leading strategy and management expert. He has delivered keynote presentations on every continent for leading organizations in both the private and the public sector. His dynamic, high-energy presentations provide concrete recommendations for improving individual, team and organizational effectiveness leaving audiences with the tools, inspiration and motivation to accelerate management performance. His customized programs are a mix of practical managerial tools, rigorous academic research, strategic consulting, entertaining humour and a blast of youthful exuberance.

Tom Stewart, former editor of *Harvard Business Review* and *Fortune Magazine*, states that “he is not only a pioneer, but one of the world’s real experts as well.” His dynamic delivery and concrete advice will leave your audience enlightened, inspired and ready for action. His expertise has been tapped by several Fortune 500 companies and even the United Nations who hand picked him for a high profile initiative. His ground-breaking doctoral dissertation is the #1 selling thesis in Canada, in all fields of study. As an award-winning tenured professor of strategy, he has won over a dozen teaching awards and several research awards. *Maclean’s Magazine* has identified him as one of McMaster University’s most popular business professors for six years in a row! He is also a 3M National Teaching Fellow, an exclusive honor only bestowed upon the top university professors in the country!

With his unique combination of substance and sizzle, Dr. Nick Bontis is guaranteed to ignite, entertain and educate audiences, empowering them with both the tools and the inspiration to perform at an accelerated level of management performance.

He has the credibility, universal appeal, and know-how to make sure your event is an unforgettable success!

Topics (brand new for 2018)

TRANSFORMING YOUR LEADERSHIP & PRODUCTIVITY FOR PEAK PERFORMANCE

Are you an ambitious individual that feels she has too much on her plate but still wants to blast through every target and then some? Dr. Nick Bontis has leveraged two decades worth of research on personal productivity that will shrink your ever-growing "to do" list to the most important activities that are necessary for you to delight your customers, impress your team members, and solidify your value to your organization. Never worry again about not having enough time to do this or that. The time has finally come to transform your personal productivity for peak performance.

ACCELERATING COLLABORATION & COMMUNICATION AT HYPER-SPEED

Is your team just spinning its wheels, but you know deep-down it can do more with less? Dr. Nick Bontis has harnessed the best practices of knowledge sharing by consulting with some of the world's leading organizations. High performance teams are supposed to harvest the synergy embedded in all of their members within and across departments to create value above and beyond what is expected. Help your team solidify its reputation as the smartest group around by accelerating collaboration and communication at hyper-speed.

LEADERSHIFTING AND STRATEGIZING TOWARDS INNOVATION & GROWTH

The markets are turbulent, the geopolitical economy is unstable, your competition is frothing at the mouth, and you are holding it all together and executing the strategic plan. As the senior leader in your organization, you know you can't do it alone. How do you harvest the full intellectual capital potential of your organization? Dr. Nick Bontis is an award-winning professor of strategy and the most-cited author on the planet in his field. Let him show you a clear path. Don't let unforeseen disruptive technology make you and your organization obsolete.

What do audiences have to say?

We selected Dr. Bontis again to present on our main platform stage as a keynote speaker in front of over 6,500 financial professionals. His presentation was beyond outstanding! Just like last time, he delivered a highlight performance that resulted in a standing ovation.

Million Dollar Round Table

He was the funniest, yet most insightful business speaker I have ever heard!

Young Presidents Organization

Do NOT design a conference program without considering him as your main event keynote speaker. He is, defacto, the reason why any one should attend an event he speaks at!

ING Bank

Nick's reputation as a world expert in his field is indisputable. However, the real magic occurs when he steps in front of a crowd. His charisma acts like a magnet and captures everyone's attention.

United Nations

Not a single person left the room without a vision and a commitment!

Uniglobe Travel

Nick Bontis is a brilliant, provocative thinker who understands the deep changes underway in our society. His presentations are perceptive and persuasive, and always done with great gusto and humour.

Government of Ontario

Bontis' talent for forcing the audience to think differently was of great benefit – a completely new view on how organizations can be left behind should they decide not to change.

London Drugs

He is an engaging, brilliant, dynamic and entertaining speaker. Bravo!

Great West Life – London Life

He delivers true wisdom. I felt motivated to carry the message to almost anyone who would listen.

The Strategy Institute

Best speaker we have ever seen, anywhere, period!

Century 21

You leave his sessions not only feeling energized but having also learned so much!
