

Associations

Associations gather to learn best practices from one another and grow their membership. Nick is the perfect opening or closing keynote speaker for your upcoming event. He will energize your attendees with his dynamite delivery and solid content. Dr. Bontis has been invited back to speak at some of the world's most prestigious association events including Human Resources Professionals Association, the Conference Board and Young Presidents Organization.

Professor Nick Bontis is quickly becoming one of our great Canadian leaders. His charisma on stage must be seen in person to appreciate a universal message that encompasses all segments of business. Nick is truly one of the best speaker's available, to deliver an extraordinary philosophical message suitable for any event.

ONTARIO GENERAL CONTRACTORS ASSOCIATION | MISSISSAUGA

With a combination of massive energy, intellect, humour and charm, Dr. Nick Bontis is the ultimate keynote presenter. While delivering substantive, relevant, and thought-provoking content, Dr. Bontis can keep any audience on the edge of their seats.

HRPA – HUMAN RESOURCES PROFESSIONALS ASSOCIATION | TORONTO

Few people actually live up to their advance press, but Nick Bontis exceeds it. His presentation was superb, both in content and style. Our sophisticated audience was enormously entertained while being challenged with new ideas and approaches. We'll have Nick back as many times as we can, assured that the message and research will always be fresh and provocative.

AMERICAN PRODUCTIVITY AND QUALITY CENTER | HOUSTON

Dr. Bontis' presentation at the V^o International Human Resource Conference held in Buenos Aires, Argentina was a great success. It was full of interesting concepts and was greatly enjoyed by all the participants not only from the content point of view but also for the way it was delivered. He is an outstanding speaker who contributed enormously to our event.

AMA – LATIN AMERICA | BUENOS AIRES

Dr. Bontis was by far the most popular speaker at our tradeshow. His insights were engaging, thought provoking and at the same time highly entertaining for our diverse group of delegates. At his conclusion, he left attendees wanting more.

MORTGAGE BROKERS ASSOCIATION OF BC | VANCOUVER

Nick is a rare breed. He can pack hours of compelling content into an action-packed 90 minutes; all while keeping his audience energized, laughing and entertained. His presentation and thought-provoking ideas were water-cooler fodder long after our event.

Education

Dr. Nick Bontis is a 3M National Teaching Fellow award-winner, an exclusive honor only bestowed upon the top university professors in the country considered the Nobel Prize for educational leadership. Find out why so many audience members say they wished Dr. Bontis was their professor back in university. He has been a featured speaker at some of the most respected educational institutions around the world including the Canadian Council of Montessori Administrators, the Catholic Principals' Council of Ontario and the Canadian Association of University Business Officers. Nick is also among the highest rated executive educators in Canada having delivered customized programs at Ivey (Western U), Rotman (U of Toronto), Smith (Queen's U), Rogers (Ryerson U) and Schulich (York U).

Nick's presentations illuminate content while challenging and enervating audiences. A presenter with flair and panache, Nick provides a learning experience not to be missed.

UNIVERSITY OF TORONTO | TORONTO

Dr. Nick Bontis is not only an expert in the field knowledge management, but also an extremely interesting speaker. He surely knows how to catch and keep the attention of the audience.

AUSTRIAN IC RESEARCH CENTER | VIENNA

Nick uses an amazing combination of quantitative research and professional speaking abilities for a truly rewarding experience. Whether it be a keynote engagement, classroom, or networking conversation, his abilities to grab and KEEP the audience's attention truly stands out from other professionals I've interacted with. I always look forward to hearing Nick's insights when he's on the agenda!

MOHAWK COLLEGE | HAMILTON

I thoroughly enjoyed Dr. Bontis' intriguing comments made at the Valley Business Conference in Fresno California. His assessment of future skills' needs is right on and I have already used Nick's rationale to support my statement that people should invest in themselves – it will provide the best return on investment that they'll ever get.

FRESNO CITY COLLEGE | FRESNO

Entertaining, engaging, and without a doubt, the most energetic keynote speaker I have ever seen. Dr. Nick Bontis captures your attention with a deep and perceptive understanding of intellectual capital. His dynamic approach in his presentations, along with his insight to rapid change in our society, will leave you amazed and full of ideas as to how to manage a fast-paced business environment.

Financial

Dr. Bontis is intimately involved with the financial services industry. He worked for several years at CIBC which is ranked among the top 10 strongest banks in the world. He has published numerous case studies, research papers and his award-winning doctoral dissertation all based on the financial services industry. He is the only keynote speaker to present at back-to-back annual sessions of the MDRT (Million Dollar Round Table) considered one of the top financial industry associations in the world. His clients include RBC, BMO, TD, Scotia Bank, Manulife, London Life, Hartford Insurance and dozens of credit unions.

With impressive credentials, Dr. Bontis is invigorating and captivating. He delivers with a sense of humour and energizes your brain to a higher level.

BANK OF MONTREAL | TORONTO

With changing demographics, markets and technology such enormous issues for credit unions, I've booked many academic experts and business strategists as presenters at our conferences. None have connected with the audience with the ease that Dr. Bontis did. I was awed by his ability to zero in on the specific aspects of the knowledge revolution that are most relevant to our industry. The fact that delegates were charged up and receptive after his thought-provoking address enhanced the impact made by subsequent speakers. He garnered record-high marks on our delegates' evaluations. Reaction was unanimously positive, with a whopping 80 percent giving his presentation a "5" which is the highest possible rating. He was complimented on his engaging speaking style and ability to inject some humour into the proceedings. Many delegates went out of their way to comment on the strength of his address.

CREDIT UNION CENTRAL OF BC | VANCOUVER

It was my pleasure to meet with Dr. Bontis at the PMAC event in Niagara Falls. Personally, I thought Dr. Bontis represents new age thinking in a way never before approached in Canada. His insight into practical every day matters and how KM process is key to human life makes him an asset to Canada. His vivaciousness and positive energy set him apart from others and his approach reminds me of Malcolm Gladwell. He connects with the audience in a Clintonesque manner.

CITIGROUP | TORONTO

Dr. Nick Bontis' combination of energy, humour, insights and practical tools to better manage information and convert it into knowledge delighted and enthralled our audience, leaving them wanting more. He is an engaging, brilliant, dynamic and entertaining speaker. Bravo!

Government & NPO

Dr. Bontis has presented at various high-profile government and non-profit organizations throughout his career. Much of his content is based on management consulting projects that he has spearheaded with such high-profile organizations as the United Nations, the United Way, Health Canada and the US Navy. Nick also developed and delivered a very popular series of seminars across Canada for municipal, provincial and federal government employees.

Nick Bontis is a brilliant, provocative thinker who understands the deep changes underway in our society. His presentations are perceptive and persuasive, and always done with great gusto and humour.

[GOVERNMENT OF ONTARIO | TORONTO](#)

Nick Bontis is awesome! The man is so talented and well worth every penny. He had the crowd so dialed in people didn't even want to go for a break. Thank you Dr. Nick for making our event a successful one.

[TREASURY BOARD OF CANADA | OTTAWA](#)

When I say "thank you for last night" I absolutely mean the enlightening, eye opening, and super fantastic presentation that I had the opportunity to enjoy. WOW, what a way to start the new year. Just wanted to let you know that you have given me a "mental hernia" and I haven't stopped thinking about all that you had to say. I brought the handout back to my office, and I am now trying to implement some of your strategies in my everyday life. Again, thank you so much ... you are great at what you do. Not to mention extremely funny!!!

[PUERTO RICO TOURISM | SAN JUAN](#)

Dr. Bontis' depth of knowledge and engaging presentation style on the aspects of knowledge management are unparalleled. Dr. Bontis is a "must" for any event – at our recent event he captivated the audience during his presentation and provided all participants with valuable food for thought. Dr. Bontis provided us with the kick-start needed to engage all employees and management in realizing the importance of knowledge management and organizational learning to our organization.

[ENVIRONMENT CANADA | OTTAWA](#)

During our Government of Alberta Supervisor's Conference, Dr. Bontis' keynote presentation engaged the audience as demonstrated by participant feedback such as: Dr. Bontis was amazing; His knowledge mixed with his energy was a great way to start the morning; and Excellent speaker – engaged audience in light hearted humorous ways while sharing important information. Other quotes from participants included: A hugely dynamic speaker! We need him at 6-month intervals! Very invigorating talk! No wonder he is highly regarded as a professor. Normally I find inspirational speakers to be plastic and not true, but Dr. Bontis was different. He was engaging and managed to keep my attention from start to finish. I laughed hard and also learned much. Not too many people can leave you laughing, inspired, and educated; and What a smart man! I wish I was one of his students. He has a lot to teach the rest of us.

Healthcare

The healthcare industry is absolutely in need of accelerated performance at the individual, team and organization levels. The constant cry of “do more with less” is loud and clear and in response, Dr. Bontis has delivered dozens of riveting presentations to senior and mid-level managers at such organization as Health Canada, Canada Health Infoway, AstraZeneca, the Ontario Hospital Association, the Ontario Nurses Association and the Canadian College of Health Service Executives.

Dr. Nick Bontis addressed our organization at an all-staff event where hundreds were present. Nick is an energetic, captivating and engaging keynote speaker – with an effective and timely dose of humour. He gets to know your objectives, puts together a succinct presentation, works closely with you, and really delivers. I highly recommend him.

ONA – Ontario Nurses Association | TORONTO

I had the pleasure of hearing Dr. Nick Bontis for the first time at a recent hospital conference. The last of several speakers – including a retired Prime Minister, Chief of the Defence Staff, and a Governor General – Nick was an outstanding surprise and, in my opinion, the best speaker! His hour-long presentation was funny, inspirational, and re-energizing. His subject, intellectual capital, is highly relevant to everyone.

NORTHUMBERLAND HILLS HOSPITAL | COBOURG

An invigorating and stimulating performance! Dr. Nick Bontis delivers profound key messages to his captive audience using methods they can relate to, such as referencing cutting-edge technology devices, terminology and trends. The audience is engaged and entertained through the use of strategic animated tactics and interactive exercises. Participants leave with take-home messages, tools and resources on how best to invest in and build brainpower to achieve a competitive advantage at school or in the workplace, as well as focusing on creating a reputable legacy for oneself.

HAMILTON HEALTH SCIENCES | HAMILTON

What a great way to end the event on a highly energized note with your dynamic and insightful presentation! Our participants who enjoyed your talk immensely.

TRILLIUM HEALTH CENTRE | MISSISSAUGA

Dr. Nick Bontis was our keynote speaker at a recent departmental event. He is a dynamic, provocative speaker who engaged the audience with his charm, humour and great intellect. He has an uncanny ability to reach a diverse group communicating complex issues with simple imagery and wit. We would love to have him back!

MCMASTER FACULTY OF HEALTH SCIENCES | HAMILTON

When I was reading over the feedback from our survey I came across a quote that seems to sum up a lot of what I have been hearing: “... He is a gifted speaker and I could see stand-up comedy as a second career but he has too much brain for that. I'm glad he has a teaching position in higher education, some brains will have the chance to be challenged by such a professor.

Hospitality

With intense competition and elevated consumer expectations, the hospitality industry is facing historical pressure for reinvention. Dr. Bontis provides real-life insight based on his extensive research background on how organizations can push themselves to collaborate and innovate. Find out why firms such as Tim Hortons, Uniglobe Travel and Westin Hotels have invited him back to present again and again.

Dr. Nick Bontis wowed our management team with his presentation. He is an informative and entertaining speaker with a very powerful message. He left everyone in the audience asking questions and wanting more. I highly recommend him as a speaker – just don't be the one to present after him, he is a tough act to follow.

CACTUS RESTAURANTS | VANCOUVER

Expectations were high for Nick's session at the talent management conference, but they were indeed surpassed! Dr. Bontis was as clever and provocative as ever. He challenges professionals to be the best business partners they can be, bringing seemingly complex points home by employing relatable analogies and injecting a healthy dose of humour. You cannot help but want to implement what you have learned and share it with others. Nick Bontis is a must at every conference, but other presenters beware: You do not want to follow him.

YUM! BRANDS | LOUISVILLE

Dr. Nick Bontis was a smashing hit at our national sales conference. Choosing a speaker is a daunting task and a risky one I might add. Dr. Nick Bontis is an expert in his field; he was able to share his wisdom on the fast-paced world of technologies, the generational differences in the workplace and how to work with them. His great sense of humor, charisma and high energy truly set the stage for our conference. He engaged our people from the moment he started speaking that they didn't stop talking about him for many months after the conference. I highly recommend Dr. Nick Bontis!

DELTA HOTELS AND RESORTS | TORONTO

Dr. Nick Bontis is an inspiring and engaging speaker and let's not forget humorous! The knowledge that I gained from his presentation has changed my approach to business and life. I have reclaimed time back. Thanks.

BANFF ASPEN LODGE | BANFF

Nick spoke to a group of business owners who have heard many "motivational" speakers. This time they were actually motivated! Nick's impressive research and his provocative and entertaining presentation left us entirely speechless, but seriously challenged. Not a single person left the room without a vision and a commitment.

UNIGLOBE TRAVEL | VANCOUVER

Please accept my genuine thanks for your phenomenal contribution to our leadership meeting. You deliver a powerful message and thank you for your efforts to tailor that message to our group as it made the content that much better. The entire group was motivated and energized by your insight, wit and inspiration to bring out our best in everything we do. Judging by the feedback I've received thus far, you can be confident that it was a very successful program. It was a phenomenal afternoon and you were the perfect fit for our meeting!

Manufacturing & Consumer

As a long-time resident of Hamilton (known as the steel city), Dr. Bontis is well aware of the transformation necessary to maintain vibrancy in a manufacturing-intensive and consumer-oriented environment. His deep insights into complex production and new product development have led him to deliver several high profile executive learning programs for organizations such as 3M, Celestica, General Mills, Kraft Foods, L3 Wescam, Nestlé, Owens Corning, CRH Dufferin Construction and SNC-Lavalin.

Thank you for your presentation at our customer focus meeting. You did an outstanding job! The best speaker I've seen in 15 years! From humorous to inspirational speaking you have offered a motivational message like no other. You have brought excitement, expertise, and inspiration to the members of our group. Your topics were key in opening the mind with refreshing thoughts and visual gestures. On behalf of Cascades Boxboard Group, I wish you continued success and would happily recommend you to anyone looking for quality motivational speaking. You contributed greatly to the success of our meeting. Looking forward to the next opportunity to work with you!

CASCADES PAPER & PACKAGING | MONTREAL

Dr. Nick Bontis provided a riveting presentation during a very important high level meeting for our company. He described important strategic concepts in a simple way so that everyone understood. He also provided actionable methods to implement them easily. The results of his presentation caused a variety of significant changes including a more positive attitude among our employees as well as helping us with our integration process. For a global firm like ours, small changes make a big difference. A total of 97% of all attendees during the presentation rated his performance as either good (21%) or excellent (76%). Given the sophistication level of our audience, this is an outstanding achievement!

NEMAK AUTO PARKS | MONTERREY

Dr. Nick Bontis delivered a high energy and very engaging presentation to our top Canadian Supply Chain leaders. His thought leadership on change and technology was insightful and provocative. Truly enjoyable experience.

KRAFT FOODS | TORONTO

Be ready to think and absorb if you have the pleasure of a presentation by Nick. He is a dynamic speaker that hits real world issues and challenges. I enjoyed every minute and would recommend everyone to spend some time perusing his website.

Professional Services

As an award-winning business school professor, Dr. Bontis launches the professional careers of thousands of graduates every year. He has extensive experience with accounting, legal, and HR audiences. His extensive professional services industry client list includes Accenture, Deloitte, Ernst & Young, KPMG and Manpower.

Changing everyone's paradigm is tough job. Nick Bontis considers this to be his "day-to-day pursuit". He stands out as a pioneer in stimulating companies to embrace the vital role of intellectual capital through his strong presence and interactive presentations to create 21st Century Companies.

[KPMG | AMSTERDAM](#)

Nick Bontis brings alive the topic of knowledge management in such a way that everyone understands this new and complex field. His energetic approach, his sound research base, his practical application of the knowledge is an absolute delight for his participants. My colleagues in Jamaica are still talking about his presentation at the conference and the radio interview afterwards. We are truly grateful for his input.

[QUALITY MANAGEMENT CONSULTING | JAMAICA](#)

Dr. Bontis is an enthusiastic and engaging speaker. He articulates leading edge thinking on both the theoretic and practical front – advancing both the "science" of knowledge management and its understanding by the layman. He communicates using analogies and real-life examples that make the subject of intangible assets both concrete and compelling.

[ERNST & YOUNG | TORONTO](#)

Dr. Bontis has an outstanding ability to communicate complex concepts in a simple concise manner. This coupled with his enthusiasm and in-depth knowledge enabled him to leave a lasting impression with us.

Real Estate

The real estate sector is facing turbulent times with the advent of disruptive new technologies attempting to usurp the legacy players. Dr. Bontis is an enormously popular media personality who is often asked to provide insight on real estate and accompanying economic trends. Many organizations have enjoyed his insight and comprehensive understanding of where the industry is going. Delighted clients include Century 21, RE/MAX and the Canadian Home Builders.

Dr. Nick Bontis is worth every penny of his fee. At the Ontario Economic Summit he was given 20 minutes following a cocktail party to speak about intellectual capital in the same room where people were standing around with drinks in their hands chatting – within a minute, the room went quiet and he had us spell-bound – he's a university prof with star power!

ONTARIO REAL ESTATE ASSOCIATION | TORONTO

If you need a speaker, Nick is your man. His 90-minute presentation went by in a flash and it was absolutely fantastic. Listening to him for another 90 minutes would have been easy. Without any hesitation I would attend his presentations again and again. You will not be disappointed.

ALTUS GROUP | TORONTO

Nick Bontis' presentation at Banff Western Connection this week was outstanding! He was ranked #1 out of all 18 speakers at the conference. Nick's high energy and great content kept our members engaged from start to finish and everyone went home with some great ideas on how to "Take a Knowledge Journey". I would highly recommend Nick as a speaker.

SASKATCHEWAN REAL ESTATE | REGINA

Dr. Bontis is a charismatic speaker with captivating style. He has an ability to weave detailed concepts with practical examples, leaving his audiences with meaningful, applicable and memorable knowledge that can only benefit their work and their organizations. Knowledge management is a resourceful key to success and Dr. Bontis has opened the door to a new approach with unique insight into the leading role of technology in the future of our business and personal lives.

ROYAL LEPAGE COMMERCIAL | TORONTO

I attended one of Dr. Nick Bontis' sessions recently and enjoyed it immensely. I felt his presentation was timely; quick-paced and will definitely give you something to think about. His message should be part of any organization's strategic thinking process.

Technology

Nick is a technophile – always sporting the latest gadget and pursuing the hottest trends in technology. Dr. Bontis is a best-selling author and among the world's top researchers in the field of new technology. He is McMaster's top ranked executive educator in the EMBA program specializing in digital transformation. Nick has extensive experience with software, networking and telecom companies including Microsoft, IBM, OpenText and Telus.

I jumped at the opportunity to have Dr. Bontis keynote one of my larger training conferences. His style was interactive and exciting. His passion was undeniable! There is no doubt that Nick and I will do a lot more work together in the future.

MICROSOFT CANADA | MISSISSAUGA

I have contracted Dr. Nick Bontis to present on a number of occasions on a variety of business and government topics related to IT and HR and their ultimate impact on competitive advantage. His performances are always eye-opening and typically rated at a par with our top speakers. His innovative content is solid, his energetic style is engaging and he uses humour to great advantage. He has never let us down.

NGENERA | WASHINGTON D.C.

Nick brought down the house with his keynote address at the CMA Analytics Conference! His presentation was timely, informative and extremely inspirational. His presentation style is dynamic, energetic and motivating to all attendees regardless of their level. I will definitely consider using Nick as a keynote presenter again.

SAS CANADA | TORONTO

Dr. Bontis is a stunning speaker. He has a rare combination of entertainment value which will keep you on the edge of your seat; high energy to keep you engaged; scientifically intriguing research results with real, relevant, and immediate business value; an uncanny ability to present complex concepts in easy to understand language; and the ability to ignore the irrelevant or misleading in favour of the key insights. The ideas come so fast you can't even afford to blink. Wow!
